Safety Masterclass for Educators

Ensuring a Safe School Resumption

REGISTER NOW

THE Safety Chic

As the new academic year approaches, it’s crucial to ensure that your school is prepared to provide a safe and supportive environment for all students. Join us for an exclusive Safety Masterclass designed specifically for educators, where you’ll gain the knowledge and skills needed to foster safety and well-being in your school.

www.thesafetychic.com/masterclass

WHY IS THIS MASTERCLASS IMPORTANT?

Safeguard the Well-being of Students and Staff:

Ensuring the safety and well-being of students and staff is paramount in any educational environment. This Masterclass will equip you with the essential knowledge and skills to create a safe, secure, and supportive school setting, reducing the risk of accidents and emergencies.

Stay Compliant with Safety Regulations:

As schools prepare for a new academic year, it's crucial to adhere to updated safety policies and guidelines. This Masterclass provides educators with the latest insights on legal and regulatory expectations, helping your school stay compliant and avoid potential legal issues.

Promote a Positive and Safe Learning Environment:

A safe school environment is the foundation of effective learning. By participating in this Masterclass, you'll learn how to foster a positive atmosphere that promotes mental health, minimizes risks, and enhances the overall educational experience for students and staff alike.

THE Safety Chic

Barr. Taiwo Akinlami

He is committed to transforming the lives of African children and their families by focusing on three core areas. He works tirelessly to strengthen families through mature advocacy and impactful social investments, fostering resilient communities. He is also dedicated to creating child-friendly and protective environments by developing and implementing comprehensive child safeguarding systems. Additionally, Taiwo promotes a rights-based approach to parenting, ensuring that children's rights are upheld and that they are placed at the center of all family and community efforts. Through these initiatives, he aims to build an Africa where children are empowered to reach their full potential.

A Passionate Advocacy Journey for Child Safety

My journey into the world of safety (especially Child Safety) began with a simple yet profound realization: the safety of our children is paramount, and it is our collective responsibility to ensure their well-being. **Over the years, I have dedicated myself to this cause, transforming my passion into a mission that has touched countless lives.**

Advancing Child Safety and Social Impact

- As the founder of The Safety Chic. My journey into the field of child safety and social impact has been driven by the goal of equipping parents, guardians, and educators with the tools and knowledge necessary to ensure the safety and well-being of children.
- Through The Safety Chic, I have dedicated my career to working at the intersection of program and impact management, developing innovative strategies that make a real difference in the lives of young people.
- I have developed a range of products and programs aimed at enhancing child safety, reducing substance abuse in youths, and providing strategic direction for social impact initiatives.

Ugochi Obidiegwu

Founder, The Safety Chic

Life Transforming Safety Projects

- **Authoring a Child Safety Storybook Series:** Available in both English and French, these books are designed to educate children on various safety topics in an engaging and accessible way.
- **Co-Creating an Online Safety Game for Children:** This interactive game was done in partnership with **9ijakids** which was designed to prepare children to return to school safely during COVID-19.
- **Curating Safety Education Apps:** These apps provide valuable resources and information to help children and parents navigate safety challenges.

A Global Message

My work in child safety and social impact has been recognized globally, and I have had the honor of speaking at key industry events and sharing my expertise with safety professionals around the world. Some of these engagements include:

- **2019 World Safety Organisation Symposium in Las Vegas**
- **2021 World Congress Canada**
- **2021 West Africa IOSH Conference**
- **2022 OIC-OSHNET Training Workshop organized by the Directorate General of Occupational Safety and Health, Turkiye**
- **2022 International Product Safety Week hosted by UNCTAD and the European Commission in Brussels**

In 2023, I was featured in the Talking Safety video series of the World Safety Congress for Health and Safety at Work in Sydney, Australia. I also convene the annual School Safety Summit, bringing together experts and stakeholders to discuss and advance school safety.

THE Safety Chic

What people are saying about The Safety Chic

Thanks so much to The Safety Chic Project for initiating the first-ever evidence-based strategy for protecting street children in Enugu from road and health risk. The session developed dedicated visual and activity-based methods by which to teach core health and road safety messages – focusing on real life examples, social responsibility and the children's role in the safety process, including awareness raising on traffic rules and correct road behaviour...

Iheanyi Igboko

★★★★★

It has been a very informative and educative avenue where i have learnt a lot so far about safety measures. Keep the good work up. More power to your elbow. God's grace ahead!

Ben Lapote

★★★★★

It's amazing to hear that the ventilation of buildings affects student performance. I will focus on ensuring that safety of buildings is included in the design stage. The safety summit was excellent and very insightful. I'm glad I attended for the first time and will definitely attend all future summits

Stella Mumoneka Mwale
