Conditions

- *To be eligible for the scholarship (promotional tuition price), students must meet the following conditions: (a) Academic Standing – No failed subjects in previous studies; OR achieved at least one (1) subject at Credit level or higher. (b) Prior Qualification - Successfully completed a Diploma or Advanced Diploma of IT. (c) Recognition of Prior Learning (RPL) – No more than one (1) year of RPL will be accepted.
- Tuition Fee: The tuition fee is determined on an annual basis and is applicable solely to full-time students enrolled in a minimum of 48 credits each year.
- Promotion Terms: This promotion is subject to change or termination due to various factors, including legislative updates (such as changes to the ESOS Act or other regulations), market trends, or internal strategic choices.
- Fee Policy Review: Applicants are required to examine the fee policy outlined in the offer letter and verify the promotional price with the admissions office prior to finalizing their Confirmation of Enrolments (COEs).
- Annual Pricing Adjustment: The stated price serves only as an indication for the current year's promotion. The institute may notify students via email regarding adjustments to the annual promotion for the following year before the end of November each year.
