Typography poster with the quote "Refuse To Rush." set in inline shadow serif for a vintage poster feel; centered stack with wide letterspacing and airy leading; palette sea-glass green, aqua, and sand with ivory; add ornamental star and dot dividers as typographic glyphs; print texture: faint letterpress indentation on heavy stock. Include tasteful complementary accents but keep type as the hero; no photos.
93. Typography poster with the quote "Show Your Work." set in Art Nouveau display serif with organic curves; diagonal baseline climb for dynamic rhythm; palette rose, berry, and blush with camel undertone; add Art Deco fan dividers and a slim top rule; print texture: risograph-style misregistration with soft ink spread. Include tasteful complementary accents but keep type as the hero; no photos.
94. Typography poster with the quote "Think, Then Tinker." set in Art Deco display with stepped geometry; circle-badge arrangement with text wrapped along a ring; palette slate blue, dusty sky, and cloud white; add subtle geometric shapes (circles, arcs) behind text; print texture: watercolor wash ghosting behind the text. Include tasteful complementary accents but keep type as the hero; no photos.
95. Typography poster with the quote "Make It Obvious." set in monospace typewriter with mechanical rhythm; two-column split: heavy headline, light subline; palette denim, brick red, and cream with faint tan; add pencil underlines and small arrow glyph accents; print texture: chalky matte finish with deckle-edge look. Include tasteful complementary accents but keep type as the hero; no photos.
96. Typography poster with the quote "Stay Curious Longer." set in rounded humanist sans with friendly forms; vertical reading stack with decreasing sizes per line; palette pine, cranberry, and wheat on buttercream; add micro halftone dot field fading behind the headline; print texture: linen-canvas tooth with very light vignette. Include tasteful complementary accents but keep type as the hero; no photos.
97. Typography poster with the quote "Hold Your Boundaries." set in Tuscan display serif with split terminals; stepped lines rising like stairs; palette jade, mint, and porcelain with soft gray; add letterpress-style rules above and below the quote; print texture: dry print wear and tiny rosette halftone. Include tasteful complementary accents but keep type as the hero; no photos.

98. Typography poster with the quote "Notes Become Novels." set in wide serif with ball terminals and tight kerning; justified block with even word spacing and microgrid; palette granite gray with single terracotta underline; add tiny laurel wreath icon centered under the last line; print texture: soft gradient tint with salt-speckle effect. Include tasteful complementary accents but keep type as the hero; no photos.

99. Typography poster with the quote "Craft, Then Communicate." set in hairline modernist sans with ultra-wide tracking; oversized drop cap followed by tightly set lines; palette espresso brown, cocoa, and cream; add delicate filigree corners and a faint cartouche outline; print texture: blueprint microgrid barely visible in the background. Include tasteful complementary accents but keep type as the hero; no photos.

100. Typography poster with the quote "Listen For The Signal." set in bookish transitional serif with elegant contrast; mirrored alignment—left then right for alternating lines; palette midnight blue with pale gold-cream accents; add checkerboard micro-pattern band at the bottom edge; print texture: aged parchment warmth with gentle corner wear. Include tasteful complementary accents but keep type as the hero; no photos.
