The Reason Why Vision Boards Fail

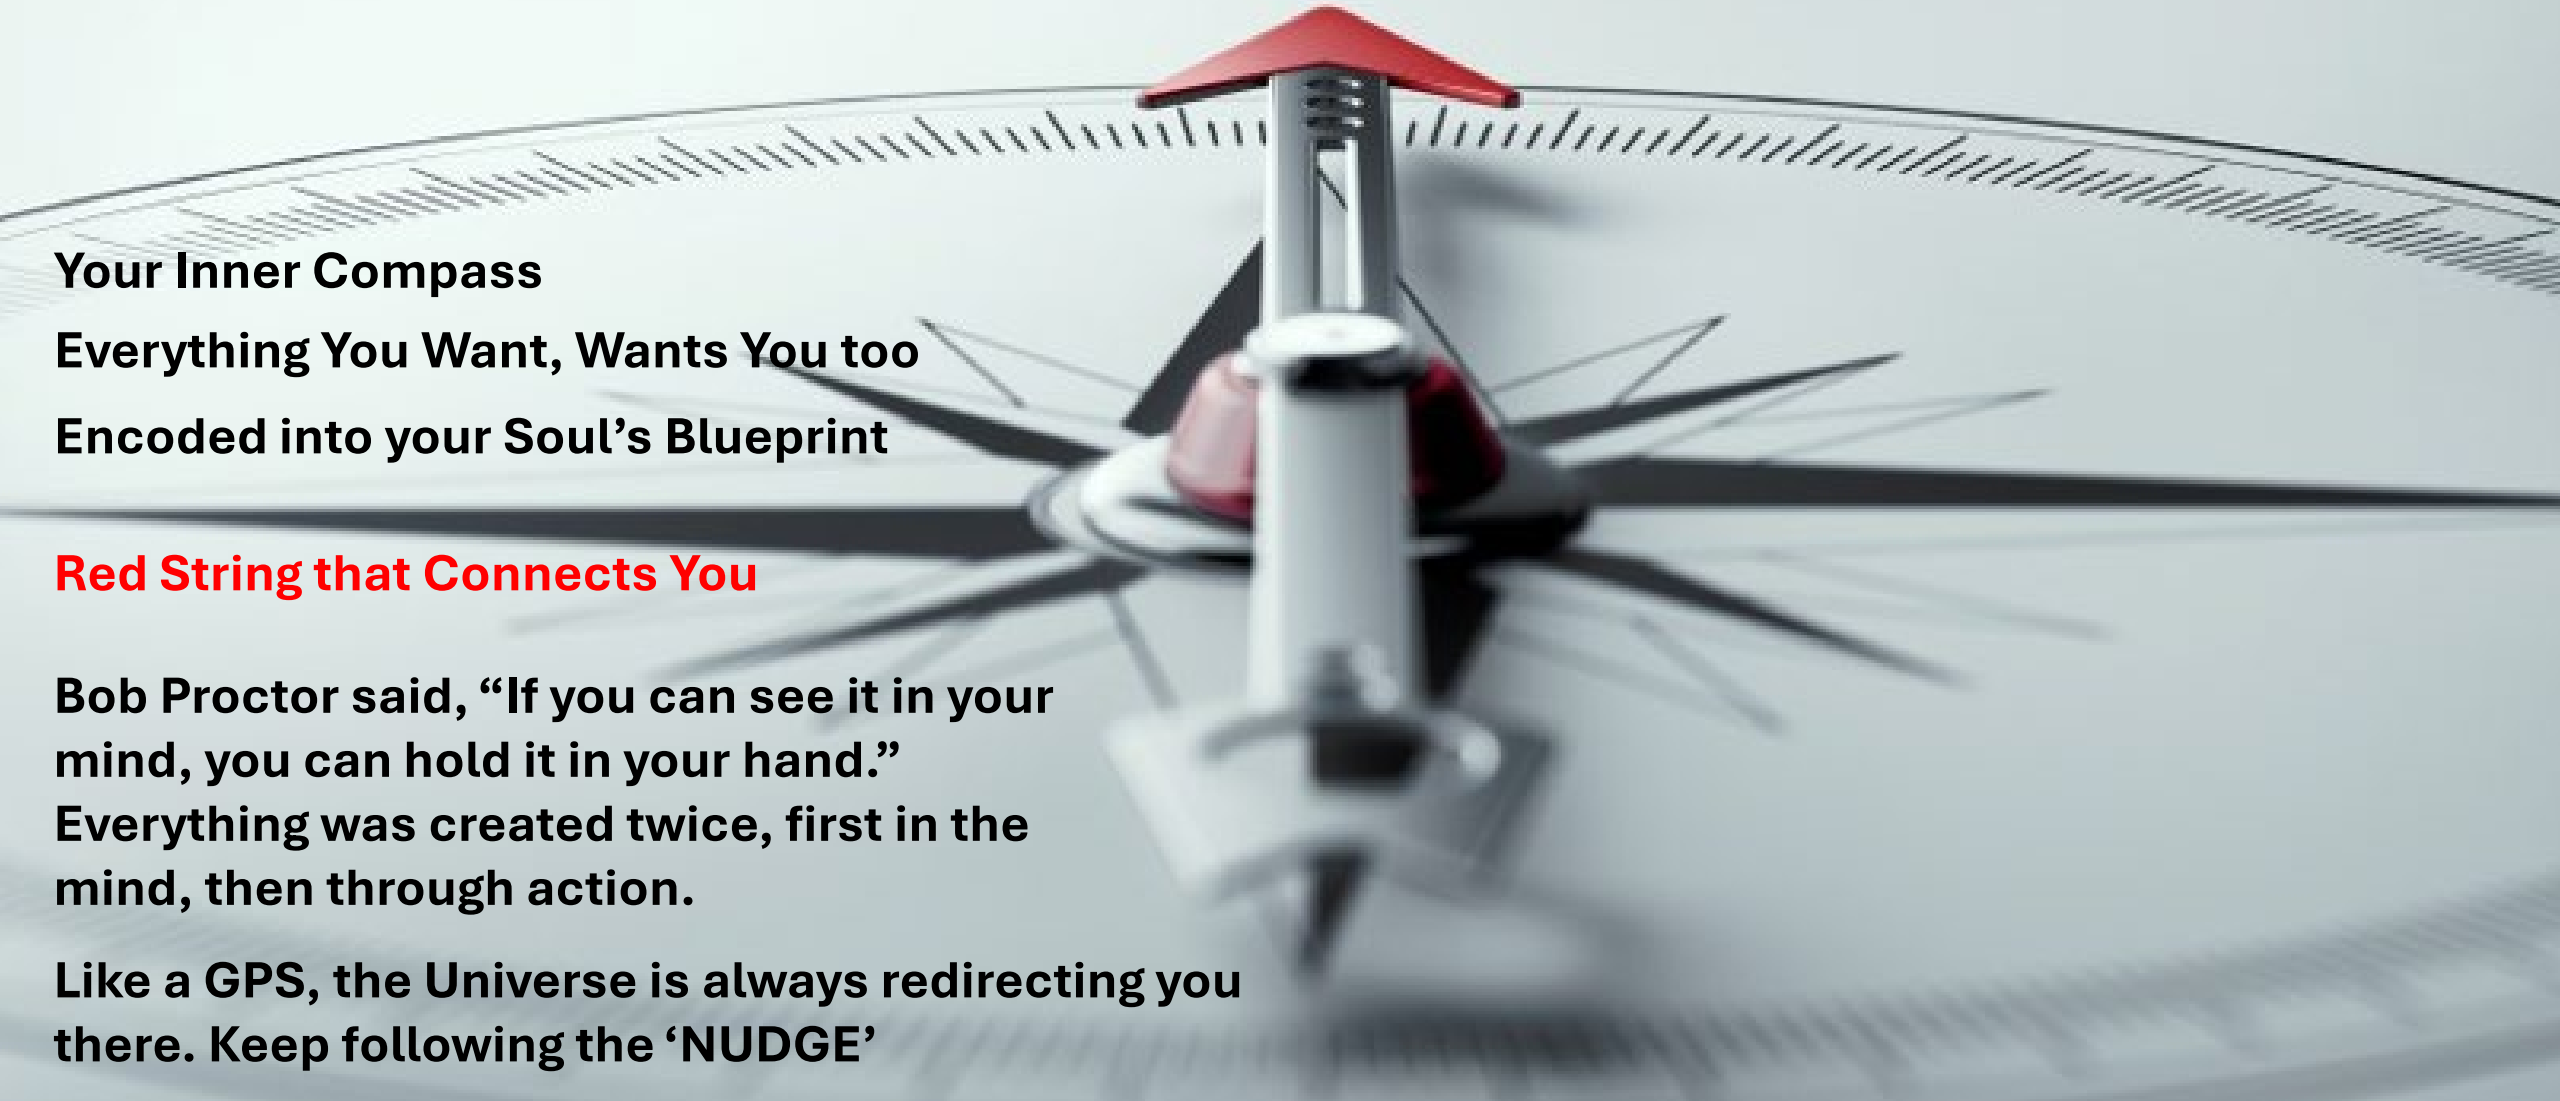

Why Today is Different

- A vision board is just for your mind.
- Today is about Mind, Body and Soul

1. Mind – Vision boards
2. Body – (Voice) – Your I am presence
3. Soul – Taking steps of action that are in alignment to your higher purpose

Encoded into your Soul's Blueprint

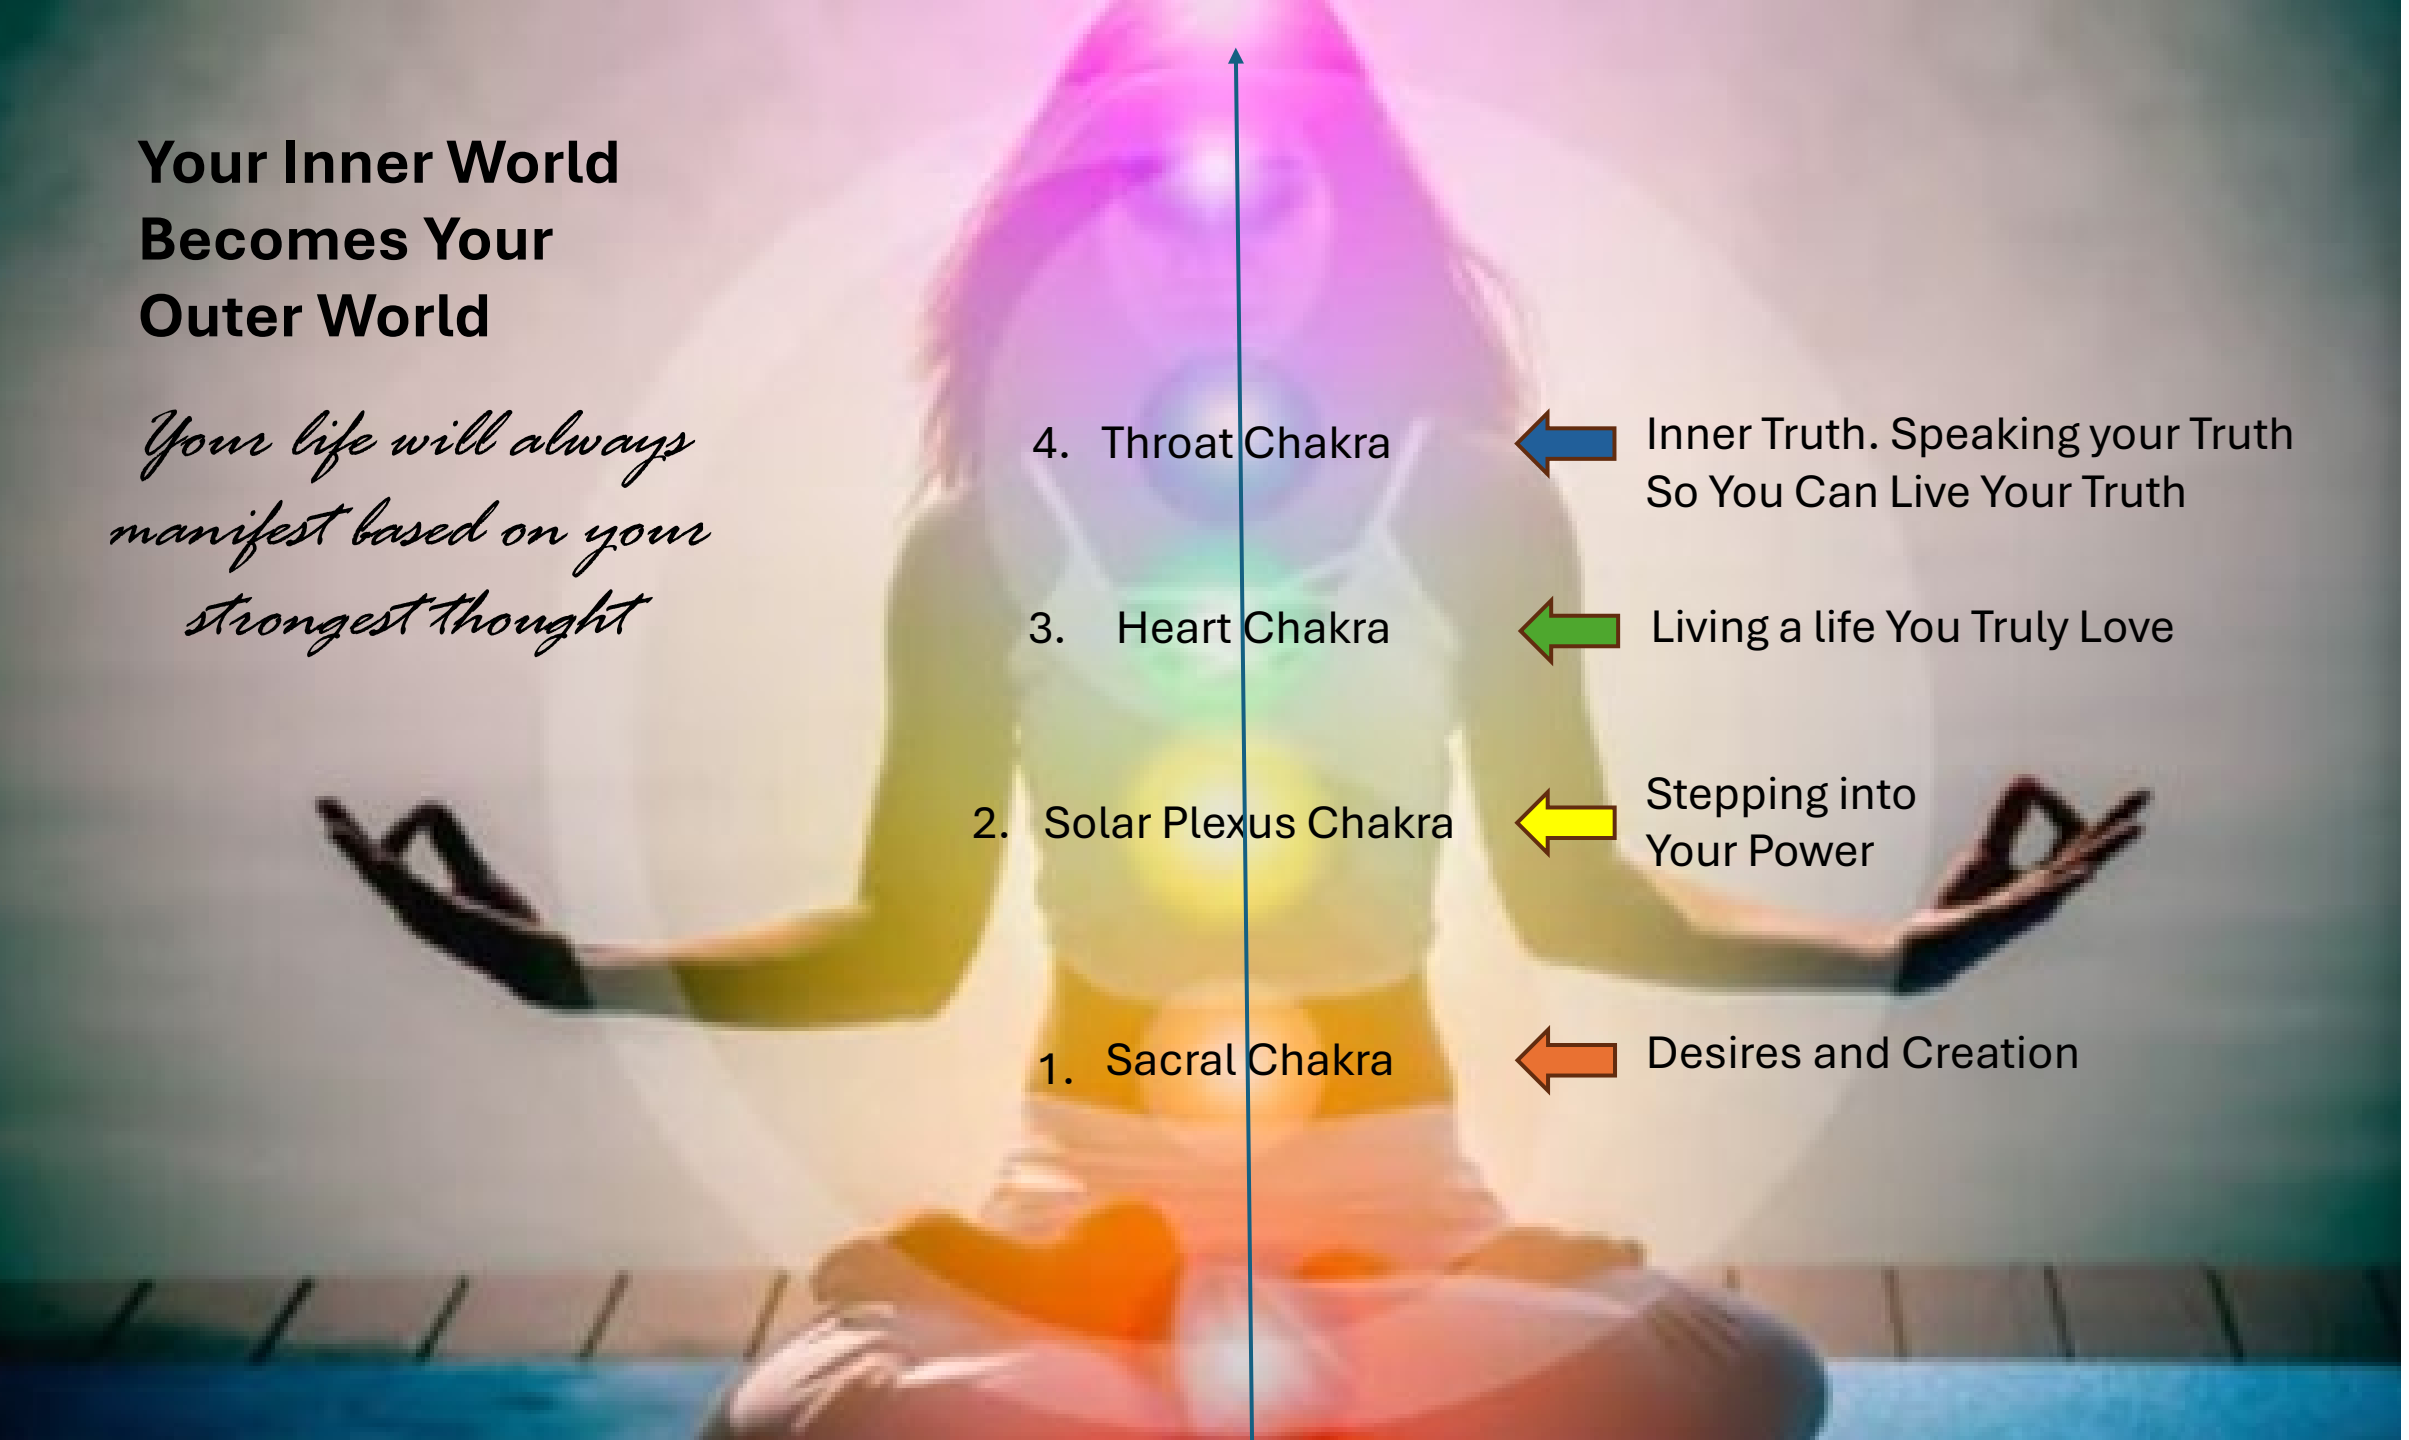

Red String that Connects You

Bob Proctor said, "If you can see it in your mind, you can hold it in your hand."
Everything was created twice, first in the mind, then through action.

Like a GPS, the Universe is always redirecting you there. Keep following the 'NUDGE'

Nourishing Thoughts

Your Vision Board!

1. My Dreams this Year

- White car, red interior
- Two kittens to welcome to our family! Ragdoll – siblings
- Learn how to braid
- Increased health (new recipes, vitamins, higher protein)
- Family Vacation
- Put “Your Million Dollar Life” on the map
- Grow The Inner Circle to 200+ Members – global

2. **My Power:** Confidence
3. **The Love that Surrounds me:** Healthy Friendships
4. **My Inner Truth:** Nourishing Mind

1. **Open Word Document OR Canva (www.canva.com): PORTRAIT Setting**
2. **Find a photo that matches your dream to a photo that sparks excitement in your heart**

The Power of One

“Mother Theresa once said if you can’t feed 100 people, feed just one”

One Step of Action

What is the one thing that you truly desire from everything you have on your board? That is what your soul is most ready for.

My First Goal Two kittens

My First Steps

1. Who - Kittens (siblings)
2. What - Rescue - Ragdoll
3. Where – FB Groups, Marketplace, Shelters
4. Why – We are finally ready
5. How – Family talk, organize home, get supplies (make it real)

One Faced Fear

You attract what you fear because fear is a dominant emotion
The only way to overcome fear is to face it
Look the Devil in the eye (fear) and go straight towards it
You have to grow through, to get through (transmute it)

What are you most scared of?

Visibility – Showing the world the real me / channelling (persecution)

How you are going to face it:

Show up live on Social media to share a story (after a shower, housecoat, bedroom)

The outcome:

I didn’t die ☺

Your New I AM

Words are Magic
They make your Inner Truth/Thoughts Real
Anything followed by I AM – you become
Abracadabra translates to "I create as I speak."

1. **I AM** the new mama to new kittens, and we are so in love!
2. **I AM** a well-respected leader and confident to share my highest truth
3. **I AM** using my free time to nourish my mind with things that help me grow
4. **I AM** so happy I found my tribe of healthy friendships where we all shine together
5. **I AM** leading a global movement of women healing, growing and stepping into their highest purpose
6. **I AM** Loving braiding Aspen's hair, she looks so beautiful every day!
7. **I AM** So proud to retire from my job this year and step into my higher purpose
8. **I AM** Planning a trip to Disney with my family – we are so excited!
9. **I AM** So excited to pick up the keys to my new car!
10. **I AM** Buying a cake to celebrate 200 new members into my community!

Now, Surrender it All
