LEARN RESIDUAL INCOME
PLANS FOR YOUR
FINANCIAL FUTURE

Hey my friend,

Ann here I am excited for you to dive into these residual income plan ideas for you and your Family.

Residual Income is where you continue to get paid AFTER the work has been done!

There are obviously more than seven ideas that exist where you can create a residual income stream, but I've tried to include the ones that are the most constant with the least upfront capital to get started.

There are a couple of variables that you want to consider before diving into any of these plans for you and your family.

-
- 1 How much upfront capital do you have to work with?
 - 2 What is your risk tolerance?
 - 3 How much time do you have to invest each week to work your residual income plan?

NOTE: Some of these factors may vary depending where you live. These are not carved in stone but suggestive variables

REMEMBER

Not every plan is going to work for everyone... but the table on the next page should give you an idea of where to start based on the variables listed above. There are many more options as well, but typically require a larger initial investment and are much higher risk.

Residual Income Plan Idea	Annual Income Potential	Upfront Capital Needed	Risk Analysis	Hours you need to invest each week
Sell Digital Products	500K +	\$100 - 15K	Low	2 - 30 +
Buy Up Blogs or Websites	100K +	\$5K-100K	Medium	20 +
Market Investing	20K +	\$50K +	High	2 +
Peer to Peer Lending	10K +	\$10K - 100K +	High	2 +
Network Marketing	500K +	\$200 - 1000	Low	10 +
YouTuber/Blogger	100K +	\$800 +	Low	10 +

My Favorite Residual Income Plan Ideas:

➔ Digital Products & Network Marketing

Why? - **Low** Risk & Upfront Capital, with **HUGE** income potential if you do it right following the right teachers & instructions. Digital Marketing is my #1, low investment (I invested \$900USD), I was FULLY trained on set up, how to use all social platforms, taught on multiple revenue streams. Most have anywhere from 5-20 revenue streams within this one online business & training. You can start earning quickly and earn decent income when you follow the program. An online free community with over 40K of new and successful Digital Marketers earning 6 figures in 4-12 months, but they followed a proven Blueprint! 100% Profit, No monthly purchases or fees & anyone can learn how - NO MATTER WHAT YOUR BACKGROUND IS - if you can learn, you can earn! The Blueprint teaches a focused 2 hour income activities, no rejections because of automation and so much MORE!

Network Marketing is my 2nd choice because of most options being **low** investment initially. BUT it does take a lot of time.

In Conclusion: Make sure that you have a residual income plan in place for you and your family.... whatever that might be! Having 1 revenue stream can be very dangerous for your families survival should anything unexpected happen. I know, I learned first hand the hard way when I lost my job in the pipeline industry because all construction lines came to a halt. I said NEVER AGAIN!

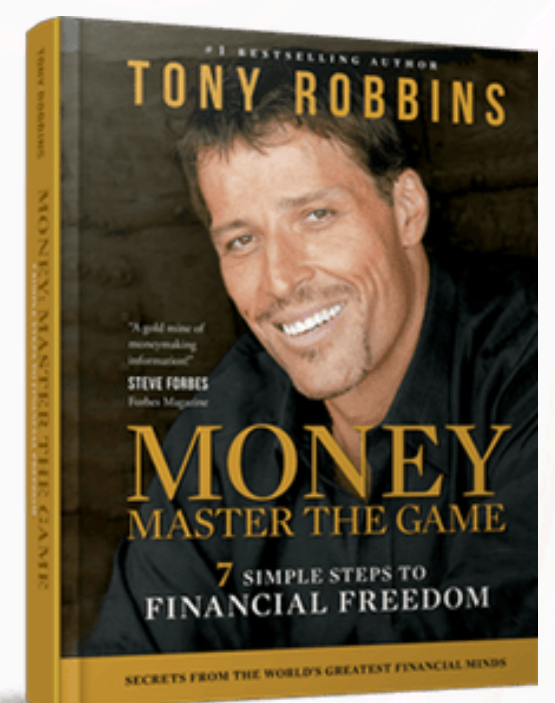

Don't let it be you!
