The terms and conditions set out below apply to your purchase of the self-study programme, “Step Into Love” offered by *NAOMISEFT*. Please read them carefully as they affect your rights and liabilities under law and set out the terms under which I provide services to you, as purchaser of the Step Into Love Course. These terms are subject to any rights you have under consumer law to which I am bound to, and which cannot be waived.

Course Outline

STEP INTO LOVE is a self-study course which uses the Emotional Freedom Technique (Tapping) techniques and journaling to assist you in manifesting a loving, committed and healthy relationship

Course Specifics

Following successful purchase of the bundle you will receive access to 7 Steps, Step 1: Forgive and Let Go, Step 2: Changing the story, Step 3: Affirmation Exercise, Step 4: Master Your Emotions, Step 5: Unlimit Yourself, Step 6: Being In love, Step 7: Celebration, these steps include exercises and tapping videos.

You will then have the opportunity to work through the course material in your own time. The course provides strategies to help you set intentions for your future.

The course has been tried and tested by individuals who are over the age of 18 and from various different backgrounds. In working through the material, they have been able to manifest a loving, committed and healthy relationship. This is a personal course for you to complete entirely at your own speed. For best results it is recommended that you under-take each module/step separately and allow for a short period of reflection in between each module. Whilst all those who have taken the course to date have achieved the desired results, it is not possible to provide any guarantees

that you will experience any specific results. Failure to complete the self-study materials will limit your ability to benefit from the information provided and will significantly limit any results. The course is not bespoke and includes general advice should you feel that you need additional support, such as 1-1 support, that can be provided separately.
