

CARE WARRIOR KINGDOM

TERMS & CONDITIONS

Effective Date: September 14, 2026

Welcome to Care Warrior Kingdom. These Terms & Conditions govern your use of the Care Warrior Kingdom website, resources, programs, mentoring services, and digital products.

By accessing this website, downloading a resource, purchasing a product or service, or participating in a Care Warrior Kingdom mentoring session, you agree to these Terms & Conditions.

If you do not agree with these terms, please do not use this website or purchase our products or services.

1. About Care Warrior Kingdom

Care Warrior Kingdom provides educational resources, personal health mentoring, and related services designed to help women better understand their changing bodies, health, and needs during different seasons of life.

Our approach is educational and supportive. We encourage you to become more informed about your health, ask better questions, pay attention to changes in your body, and take an active role in your health decisions.

Care Warrior Kingdom does **not** provide medical care, medical diagnosis, medical treatment, or emergency services.

2. Educational and Mentoring Services

Our resources, including the Care Warrior Reset Guide and Personal Health Roadmap, are provided for educational and informational purposes.

Mentoring conversations may include discussion of your health goals, lifestyle, habits, experiences, concerns, and questions you may wish to discuss with a qualified healthcare professional.

Mentoring does not establish a doctor-patient relationship, therapist-client relationship, or other healthcare-provider relationship.

You remain responsible for your own health decisions and for seeking appropriate professional medical care when needed.

Please review our **Health Disclaimer** for additional information.

3. Personal Health Roadmap

The Personal Health Roadmap is a one-on-one educational and mentoring session intended to help you organize what you are experiencing, identify areas you may want to pay closer attention to, and determine reasonable next steps.

The Personal Health Roadmap is not a medical examination, diagnosis, treatment plan, or substitute for professional medical advice.

Because every person's circumstances are different, Care Warrior Kingdom does not promise or guarantee any particular health outcome.

4. Your Responsibility

You agree to provide information that is truthful and accurate to the best of your knowledge when participating in our programs or services.

You are responsible for:

- Making your own health and lifestyle decisions.
- Discussing medical concerns with an appropriately qualified healthcare professional.
- Following medical advice or treatment prescribed by your healthcare provider.
- Providing accurate information during mentoring sessions.
- Determining whether a particular activity, product, supplement, dietary change, or lifestyle practice is appropriate for you.

If you have a medical emergency or believe you may be experiencing one, seek emergency medical care immediately.

5. Products, Recommendations, and Third-Party Services

Care Warrior Kingdom may discuss or provide information about products, services, supplements, wellness practices, or other resources that may be relevant to your goals.

Any such information is provided for educational purposes and is not a guarantee that a particular product, service, or approach will produce a particular result.

Some products or services discussed by Care Warrior Kingdom may be provided by or purchased through third-party companies.

When you purchase directly from another company, that company's own terms, policies, warranties, refund policies, and privacy practices apply to that transaction.

6. Payments

Prices for Care Warrior Kingdom products and services will be displayed before purchase.

By submitting payment, you authorize the applicable payment processor to charge the payment method you provide for the amount shown at checkout.

Care Warrior Kingdom reserves the right to change prices, offers, or services in the future. Any change will not affect a purchase that has already been completed unless otherwise stated at the time of purchase.

7. Scheduling

When a service includes a scheduled mentoring session, you are responsible for selecting an available appointment time and attending the appointment.

If you need to change your appointment, you should reschedule as soon as reasonably possible using the scheduling options provided to you.

If you miss an appointment without rescheduling or communicating with Care Warrior Kingdom, the session may be considered completed.

Any specific cancellation or rescheduling terms presented at the time of purchase will also apply.

8. Refunds

Care Warrior Kingdom wants you to feel comfortable purchasing our products and services.

You may request a refund for a purchase **at any time before the digital product has been delivered or before the scheduled mentoring session has occurred.**

Once a digital product has been delivered or a mentoring session has occurred, the purchase is considered completed and is no longer eligible for a refund.

For purchases that include both a digital product and a mentoring session, the purchase becomes non-refundable once either the digital product has been delivered **or** the mentoring session has occurred.

If you believe you are entitled to a refund, please contact us at the email address provided below.

Refunds will be issued to the original payment method when applicable.

Nothing in this Refund Policy is intended to limit any consumer rights or refund rights that cannot legally be waived under applicable law.
