THE CONSCIOUSNESS GUIDE

**On February 27, 2025, there was a
New Moon.**

**This New Moon set a powerful tone
for a charged new cycle that will
unfold over the next six months.**

**Each planet in the 2025 planetary
alignment brought increased
cosmic energies.**

**This means you have access to a
rare window of divine, cosmic
energy.**

**Perform the following ritual during
this month of increased intuitive
potency for a life-transforming
spiritual awakening.**

DIVINE PISCES MEDITATION & RITUAL FOR SPIRITUAL AWAKENING

BEST TIME: March 2025
DURATION: 20-30 minutes

TOOLS (Optional):

1. A bowl of purified water (symbolizing Pisces energy)
2. Candles (blue, white, or purple for intuition & divine guidance)
3. Crystals: Amethyst, Moonstone, Aquamarine, or Clear Quartz
4. Essential oils: Frankincense, Lavender, or Sandalwood
5. A journal & pen

STEP ONE

Prepare Your Sacred Space

1. Find a quiet place where you won't be disturbed.
2. Dim the lights and light a candle to invite divine presence.
3. Place the bowl of water in front of you as a symbol of cleansing and reflection.

STEP TWO

Ground and Center

1. Sit comfortably, close your eyes, and take **THREE DEEP BREATHS**.
2. Feel yourself connected to **BOTH THE EARTH AND THE DIVINE**, balancing physical and spiritual realms.
3. Visualize a **GOLDEN LIGHT** surrounding you, creating a **PROTECTIVE and PEACEFUL AURA**.

STEP THREE

Call in Divine Support

1. Silently or aloud, say:

“I invite the energies of the Pisces, the
divine guidance of Archangels and
Ascended Masters, and the wisdom of my
Higher Self. May I receive clarity, healing,
and inspiration in alignment with my
soul’s purpose.”

STEP THREE

Call in Divine Support

If working with angels, you may specifically call upon ARCHANGEL RAZIEL (keeper of divine wisdom), ARCHANGEL GABRIEL (for messages & creativity), or ARCHANGEL HANIEL (intuition & moon cycles).

STEP FOUR

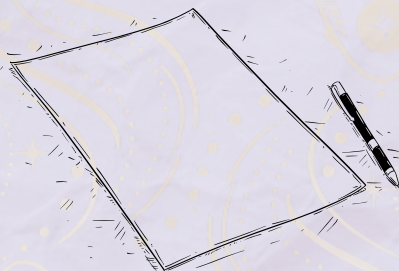

Water Scrying & Intuitive Messages

1. Gaze into the bowl of water, letting your mind SOFTEN and OPEN.
2. Allow images, colors, or words to form in your awareness. These may be messages from your intuition, guides, or angels.

STEP FIVE

Setting Intentions & Surrender

Write 1-3 clear, heart-centered intentions for the coming cycle. Examples:

- “I embrace my intuitive gifts and trust divine guidance.”
- “I release old emotional wounds and open to new love and joy.”

STEP FIVE

Setting Intentions & Surrender

Now hold your paper over the candle light (safely) and say:

“With this energy portal, I plant the seeds of my highest potential. I trust the Universe to unfold divine timing and wisdom.”

You can drop a few drops of water on your forehead or hands as a BLESSING of CLARITY and RENEWAL.

INTEGRATION

How to Carry This Energy Forward

Keep your journal close and **TRACK ANY DREAMS, INSIGHTS, OR SYNCHRONICITIES.**

Engage in **CREATIVE** or **INTUITIVE** activities (painting, writing, music).

Drink plenty of water and **STAY MINDFUL** of emotional waves.

TRUST that what you set in motion now will manifest over the coming months.
