Sleep Sessions

In-person networking events, designed to foster connections, encourage referrals, and create content to increase awareness about sleep health

- Meet live with online connections
- Build your referral network with various healthcare & wellness professionals to support your patients
- Create photo and video content to amplify your message
- Try a few curated products and meet select vendors who share holistic values

Exclusive but Collaborative

These events are invite-only to encourage true connection. Attendees are local sleep medicine and wellness professionals. Many are active on social media and see value in collaboration

- Dental Sleep Specialists
- Myofunctional Therapists
- Sleep Medicine/ Psych Specialists
- Patient Advocates / Association members
- Chiropractors
- Wellness, meditation, yoga professionals
- Media (industry publications, local news and/or podcasters)
