DIGITAL PRODUCT

A digital product is something you create or buy that exists in a digital format, like an eBook, online course, software, or downloadable template. Instead of being physical, like a book or CD, you can access and use it on your computer or device.

DIGITAL MARKETING

Digital marketing is how businesses promote their products or services online using digital channels like social media, email, websites & search engines. It's all about reaching and engaging with potential customers where they spend time online.

AFFILIATE MODEL

When you have affiliate link to a digital product, it means you can sell the product to others.
It's like having the key to a treasure chest full of products that you can sell over and over again, keeping 90% of the profits for yourself.

PRIVATE LABEL RIGHTS (PLR)

With private label rights, you can take a digital product created by someone else and rebrand it as your own. You can edit, customize, and put your name on the product, making it unique to you. It's like having your own line of products without having to create them from scratch.

THE COURSE

DIGITAL WEALTH ACADEMY (DWA)

The Digital Wealth Academy is a comprehensive, video-instructional, self-paced, step-by-step DIGITAL MARKETING course. It teaches a complete beginner how to launch and run a successful digital marketing business from scratch & how to leverage 90% Affiliate Profit and Private Label Rights to build an online business empire.

It also teaches how to set up all necessary systems and do full business automation so you can make a passive income.

TESTIMONIALS

*I mean, come on, if there's even a chance you got this far into the guide, you **MUST** see the value in what this course offers and how this could be life-changing to you and your family.*

But just in case you aren't convinced yet...

HERE'S WHAT OTHERS HAVE BEEN SAYING:

160k in 3 months 🥹USBR

In January I only made one sale! And in May I was able to make 100k in ONE MONTH. DWA changed my life! With all the strategies this course offer, I was able to grow 55k followers on Instagram ORGANICALLY. Not only that, I was able to make 160k DOLLARS in 3 months. 🥹🥹🥹🥹

I will be forever grateful for all of this!

If I could do it, you CAN do it too 💖🌟

I still have so so much to learn! But I hope it helped!

Also GUYS (men)! You have the chance to be fewer in this business! Take advantage of it!!

I didn't get lucky, I just applied what I learned, analyzed other accounts, and worked incredibly hard at the beginning.

Today, I make one to two sales per day of DWA (most sales happen in my DMs), and I sell complementary products (mostly passive and unprovoked sales).

FAQ

CAN THIS BE SOLD FROM ANY COUNTRY?

YES!

All you need is a method to receive payment and you can sell this Digital Product from anywhere in the world.

DO I HAVE TO SHOW MY FACE?

No, you don't have to. Faceless accounts are actually trending right now! So, you can create your own faceless videos or you can use stock videos and make your reels with those. Showing your face is recommended for building trust with your audience, but there are other ways of doing that!

DO I NEED A LOT OF FOLLOWERS TO GET STARTED?

Not at all! Plenty of digital marketers are starting with 0 followers and making sales before reaching 100. It only takes one reel or one story to convince someone to buy from you. Just be consistent and be patient. It won't happen overnight. It's better to get 10 quality followers/leads, than 1000 not interested ones. Build a brand.

WHAT IF I DON'T MAKE A LOT OF SALES?

I was scared, too! \$497 is quite the investment. But look at it this way... You only have to make ONE sale to get your initial investment back. After that, everything is 90% profit for your business. & come on, if you keep really take the time to learn what the course teaches you and implement it, there's no way you won't even make one sale.

HOW LONG DOES IT TAKE TO LEARN AND LAUNCH?

It depends from person to person. Because of the way the course and the systems within it are setup, you COULD launch the very same day you purchase. But, I highly recommend you take the time to go through the whole course. This may take you a week to do so, depending on your schedule. You will feel more confident.
