RESELLER STARTER KIT

With PLR & Resell Rights

Use this Starter Kit to launch your online business selling digital products. You can download them and RESELL EVERYTHING INCLUDED IN THIS KIT. Sell them as-is OR you can use the Canva Templates provided here to customize them and make them your own (highly encouraged)! With resell rights, you are allowed to edit, modify, and resell this kit, no attribution needed. (Also, highly encouraged!) If you've never used Canva before, start with the Canva Crash Course (it has video tutorials in it) so you can be on your way to making these Digital Products Your Own! Lastly, if you want to jumpstart your digital empire, I recommend accessing the Digital Wealth Academy. Details below!
