Happy Birthday, JM!

I'm super grateful to love and be loved by you. I cherish all the memories na we shared whether good or bad, through misunderstandings or disagreements. I wouldn't change a thing as long as it's with you.

You've made me a better person, and every day, you push me to be even better. I'm thankful na palagi kang nanjan to support and love me.

I'm so lucky to be your bestfriend and your partner. You make my world happier, and you make everything feel right. Kahit anong mangyari, I know nanjan ka and kasama kita.

Looking back at everything we've experienced, I'm excited for all the new memories we'll make. I will always love you, and I'll continue to choose you, everyday. I promise to take care of you and always be here for you.

Happy Birthday, baby. Cheers to many more birthdays and adventures together! I love you forever and always!

Love,
Jae Anne
