Who I am

ZHIVKA HRISTOVA

**AKASHIC SOUL
ARCHITECT CREATOR OF
THE WEALTH LIGHT
CODES METHOD™
CONSCIOUS SUCCESS
MENTOR · SPEAKER ·
VISIONARY OF ENERGETIC
LEADERSHIP**

Zhivka Hristova

I am a Conscious Success Mentor and Akashic Soul Architect devoted to helping visionary leaders and entrepreneurs harmonize their inner frequency with the wealth they were born to embody.

Through my Wealth Light Codes Method™, I bridge ancient hermetic wisdom with modern science, Epigenetics, Neuroscience, and Quantum Physics to guide you in remembering how creation truly works through energy, belief, and embodiment.

My journey began in Bulgaria, where ancestral patterns of comparison, guilt, and survival shaped my early relationship with worth and money. Through deep inner alchemy,

I transmuted those wounds into mastery, proving that when energy, mindset, and soul alignment converge, wealth becomes effortless, ethical, and exponential.

Today, my work activates financial freedom through frequency, teaching leaders to:

- Release the subconscious and ancestral codes of scarcity.
- Command their field from sovereignty and truth.
- Lead teams, families, and movements from embodied calm power.

I serve global visionaries and creative pioneers ready to build legacies of light and leadership.

Each Masterclass I host is a field transmission, not just a teaching, an energetic bridge between higher intelligence and human creation.

“Wealth is not what you accumulate.
It’s what you remember about who you are.”

Zhivka Hristova

MY PROMISE TO YOU

The Energetic Reset of Wealth Remembrance

Welcome, divine architect of prosperity.
The Wealth Light Codes Masterclass is more than training.
it is a field initiation.

Across three days :

Reveal · Heal · Transform

You will experience a complete re-coding of how wealth, power, and peace exist in your system.

By the end of this journey, you will:

- Feel energetically lighter and grounded in truth.
Your body will release stored tension from financial fear and open to the vibration of calm expansion.
- Remember your natural rhythm with creation.
You will no longer chase opportunities; opportunities will attune to your frequency.
- Reclaim inner authority.
Money, clients, and results will respond to your energetic command rather than effort.

This Masterclass is an energetic reset and remembrance portal.
a recalibration of your nervous system, auric field, and subconscious architecture to the vibration of sovereign wealth.

**As I align with truth, my field becomes magnetic.
As I stabilize in love, abundance becomes inevitable.**

Through the transmissions, exercises, and reflections in this workbook, you'll be guided to:

- Release inherited scarcity blueprints from your lineage.
- Integrate self-worth at the cellular level.
- Activate the Light Codes of effortless receiving.

You are not here to learn about wealth.

DAY 1: REVEAL

AWARENESS & LIBERATION OF OLD MONEY STORIES

WELCOME DAY 1 - REVEL

Purpose:

To witness and name the hidden energetic patterns that have directed your financial reality.

You are reclaiming sight, stepping out of the illusion of lack

Today, you enter the awareness portal: a space where your relationship with money becomes transparent, honest, and fully illuminated by light.

Every pattern you've inherited, every belief you've internalized, and every emotion you've held around money is a code, not a flaw. When seen through truth, these codes dissolve into wisdom.

You are not here to fix yourself.

You are here to remember who you are beneath the distortion.

“Truth is not the end of illusion. It is the beginning of liberation.”

This day is about becoming the observer of your energetic field. Through awareness, you reclaim power. Through power, you realign with your natural frequency of wealth and peace.

REVEAL

DAY 1: REVEAL

AWARENESS & LIBERATION OF OLD MONEY STORIES

✧ SETTING THE INTENTION FOR THE DAY

Take a few deep breaths and place your hand on your heart.

Repeat aloud:

“I choose to see myself clearly.
I choose to meet my beliefs about money with love,
not judgment.
I allow truth to guide me into liberation.”

Now, write below:

My Intention for Today:

(Example prompts replace with your truth)

- What truth am I ready to see about my relationship with money?
- Where do I still carry fear, shame, or guilt around receiving?
- What does freedom look and feel like to me?

DAY 1 INTEGRATION EXERCISES

◇ Exercise 1: Map Your Money Story

Every belief about money lives somewhere in your body.

Today, we bring those memories into awareness.

Take a few moments to breathe deeply.

Close your eyes and ask your higher self:

“Where in my body do I still hold the energy of fear, guilt, or control around money?”

When you feel a sensation (tightness, pressure, warmth, numbness), write it down.

Then trace how that belief has shaped your life choices work, relationships, or self-worth.

Emotion/Belief.....

Where I Feel It in my Body
.....

How It Has Shaped My Reality Reality.

 **Awareness itself begins the healing. Each truth revealed softens the energetic density.**

✧ Closing Reflection

You've now opened the first gate the Gate of Awareness.

From here, every moment of honesty creates space for abundance.

Remember: seeing the illusion doesn't weaken you it returns you to power.

**“I am no longer bound by inherited stories.

DAY

As you move through each stage, remember:

You are not trying to attract wealth

You are remembering that you are WEALTH!

Money Alchemy
it is the art of becoming
unshakably honest, deeply
trusting,
and joyfully receptive.

✧ STAGE 1-REVEAL LIGHT CODE TRANSMISSION 1

The Code of Truth Recalibrating to the Frequency of Authentic Wealth

Theme Frequency: TRUTH ✧ SOVEREIGNTY ✧ CLARITY

Energetic Gateway: Solar Plexus & Throat Alignment

*Light Phrase: “Sha’la en-vo / rē-ta”
I align with truth; I release distortion.*

✧ **Transmission Introduction**

Every illusion you’ve believed about money, that it requires sacrifice, that you must earn love to receive, that you must prove your value, has been stored as energetic density in your field.

The Code of Truth unravels these distortions at their root. It invites your nervous system to relax into coherence so that wealth can flow through a stabilized channel of authenticity.

“Truth is wealth.

When you live in alignment with your truth, money becomes an ally of your purpose.”

This activation is not an idea; it’s a frequency realignment. Allow your body to lead. Allow your energy to speak before your mind tries to interpret.

✧ STAGE 1 - REVEAL

✧ Daily Integration Practice

Repeat the Code of Truth each morning for the next three days.

Allow the sound or silent vibration to recalibrate your field before starting your workday or client sessions.

You may notice spontaneous yawns, heat, or tingling signs that energy is reorganizing.

**“Truth does not take effort.
It simply removes everything that isn’t real.”**

Place your hands on your heart and breathe slowly.
Feel how your body now carries more space, more light, more permission to exist as you are.

**“In awareness, I am safe.
In truth, I am home.”**

✧ STAGE 1 - REVEAL MESSAGE FROM ME TO YOU

You have already begun your TRANSFORMATION

Today wasn't about doing; it was about remembering.
From this awareness, everything becomes possible.

When you rest tonight, your body will continue the
recalibration.

You may dream vividly or wake with new ideas record
them in this workbook.

They are messages from your higher self preparing
you for Day 2: HEAL the day of emotional release and
energetic renewal.

**The light of truth now illuminates my
path.
I walk into healing as one who is whole.**

REVEAL

✧ STAGE 2 - HEAL

THE PORTAL OF RELEASE & RECALIBRATION

2 DAY

WELCOME TO DAY 2- HEAL

This is the most transformative stage of the Masterclass the alchemical midpoint where awareness from Day 1 begins dissolving into pure energy, and you will experience deep emotional and nervous-system repair.

Healing reconnects you with emotional truth and cellular intelligence.

When the body feels safe, the soul can expand.

During today's Masterclass, you will:

- **Identify emotional frequencies that keep your nervous system in survival.**
- **Transmute inherited fear, guilt, or scarcity into self-trust and presence.**
- **Anchor love and neutrality as your new financial baseline.**

✧ STAGE 2 - HEAL

(THE TRANSMUTATION OF ENERGY)

2

DAY

The work you began yesterday revealed where energy has been held tight , stories, loyalties, and fears stored in the tissues of your being.

Today, we enter the space where those patterns unwind.

This is the moment to exhale everything that no longer belongs to your timeline of wealth, freedom, and leadership.

Your emotions are not obstacles , they are energy in motion, messengers of transformation.

When felt fully, they return to light.

“To heal is to soften into love so deeply that truth becomes peace.”

**HEALING IS NOT FIXING
IT IS REMEMBERING
WHOLENESS**

HEAL

✧ STAGE 2 - HEAL

(THE TRANSMUTATION OF ENERGY)

Purpose:

We will release stored cellular memories of scarcity, control, or guilt, and to harmonize the nervous system with trust.

When you stop identifying with the wound, your energy becomes available for creation.

Reflection Prompts:

- Which beliefs feel heavy or outdated in my field?
.....
.....
.....
- What part of me is ready to forgive and integrate?
.....
.....
- Where do I still associate safety with struggle?
.....
.....
.....
- What does peace with money feel like in my body?
.....
.....
.....

✧ STAGE 2 - HEAL

(THE TRANSMUTATION OF ENERGY)

2

DAY

Energetic Practice:

Place your hands over your heart and whisper:

“I forgive the stories that once protected me.
I release all frequencies of contraction.
I allow love to re-pattern my field.”

Visualize liquid gold light melting through your chest, softening the edges of resistance.

HEAL

✧ STAGE 2 HEAL LIGHT CODE TRANSMISSION 2

The Code of Grace: Heart Healing Transmission

Theme Frequency: **LOVE ✧ RELEASE ✧ COMPASSION**

Energetic Gateway: **Heart Chakra & Emotional Body**

Light Phrase: “El’tha ma ren’kai / sol’ara ēn-tu.”

“Through love, I return to wholeness. My heart knows the way.”

✧ Transmission Introduction

The heart is the alchemist of the human experience. It translates energy into emotion, emotion into action, and action into creation.

When the heart is burdened with guilt, resentment, or grief, the flow of wealth energy constricts. The Code of Grace restores divine rhythm to your chest, allowing abundance to move through love, not force.

This activation dissolves all emotional residues that no longer serve your highest expansion. It does not erase memories; it releases the charge that kept them looping.

“Grace is not forgiveness for mistakes; it is the remembrance that nothing was ever broken.”

✧ STAGE 2 - HEAL AFTER TRANSMISSION REFLECTION

Take time to record what you felt or saw.

- What emotions surfaced during the process?
- Did you feel sensations in your chest, arms, or throat?
- What memories or people came to mind for release or forgiveness?
- What new feeling has taken root in your heart space?

Integration

The Breath of Grace

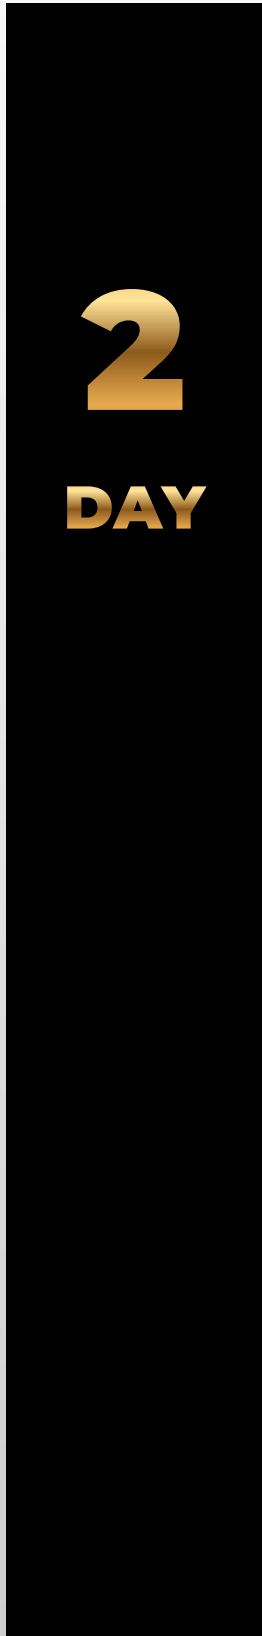

Visualize each exhale sending a wave of soft gold light through your body and into your energetic field.

Imagine this light reaching your family lineage, clearing seven generations behind and ahead.

Whisper three times:

“I am love remembering itself.”

Stay in this state for at least 90 seconds, let the body recalibrate

✧ STAGE 2 - HEAL

✧ MESSAGE FROM ME

2

DAY

You cannot heal what you avoid.

You can, however, love what you see until it transforms.

Love is the solvent of all distortion.

You are now standing in the vibration of unconditional acceptance.

From this space, wealth no longer needs to be chased, it is magnetized through harmony.

When the heart is free, creation flows without resistance.

Rest well tonight. Let your dreams integrate this activation.

**Tomorrow, we will enter into Day 3: TRANSFORM
Where the new frequency stabilizes and Wealth
Consciousness becomes embodied Leadership.**

✧ STAGE 3 - TRANSFORM

EMBODIMENT OF WEALTH CONSCIOUSNESS

WELCOME TO DAY 3- TRANSFORM

3 DAY

POWER ✧ MASTERY ✧ EXPANSION

Today, you no longer search for wealth; you become it.

You have seen your truth (Day 1).

You have healed your heart (Day 2).

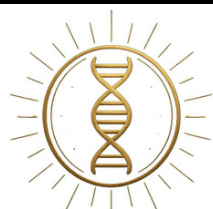

Now, you step into the embodiment of your Wealth Identity

a frequency of calm authority, magnetic leadership, and creative flow.

“Transformation is the moment truth and love merge into action.”

This is not about doing more; it is about being the vibration that does less, yet receives more.

As you move through today’s activation, your field will consolidate everything you’ve integrated: clarity, peace, and self-trust. From this wholeness, creation becomes effortless.

TRANSFORM

✧ STAGE 3 - TRANSFORM

EMBODIMENT OF WEALTH CONSCIOUSNESS

3 DAY

✧ The Purpose of Day 3

**To stabilize your new identity as a sovereign creator:
calm, confident, magnetic.**

**This is where you lead from coherence, not
compensation.**

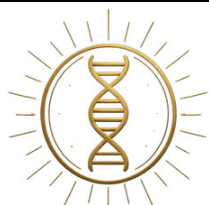

Transformation is the integration of heaven and earth
of vision and action.

It's the day your participants learn to live as the field
itself, not separate from it.

You will guide them to:

- Embody wealth consciousness through their nervous system and presence.
- Translate intuitive downloads into aligned action.
- Stabilize their new frequency through consistent, grounded leadership.
- Step into visibility and service without leaking energy.

Each exercise today serves as a practical anchor so
wealth becomes structure, not just state.

TRANSFORM

STAGE 3 - TRANSFORM LIGHT CODE ACTIVATION 3

The Code of Sovereignty DNA Activation of the Creator Frequency

Theme Frequency: POWER ✦ CREATION ✦
EMBODIMENT

*Energetic Gateway: Crown, Solar Plexus, Root full
column alignment*

Light Phrase: “El’sha tor-en / kai-rah ma sol’en.”
**“I awaken my divine architecture; I lead as light
embodied.”**

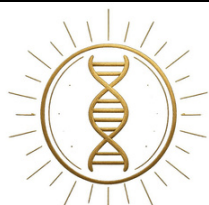

✦ Transmission Introduction

Within your DNA lies the original blueprint of sovereignty . The memory of you as creator, not survivor.

This activation reawakens dormant strands of energetic intelligence coded for leadership, abundance, and multidimensional perception. As these strands reactivate, your nervous system stabilizes into deep calm, your aura expands, and your magnetism increases.

It is not imagination. It is the remembrance of your divine architecture awakening.

“DNA is not a structure to be changed; it is light waiting to be remembered.”

TRANSFORM

STAGE 3 - TRANSFORM

AFTER TRANSMISSION REFLECTION

3

DAY

- Who am I becoming as I embody financial freedom?
- How does leadership look and feel from peace, not pressure?
- What new behaviours naturally emerge from this aligned state?
- How will I anchor this vibration in my daily actions and decisions?

 **Journal here:**

.....

.....

.....

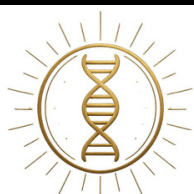

.....

.....

In this phase, energy responds instantly to your clarity.

Every thought and decision carries magnetic weight
You are no longer asking for permission you are declaring creation.

“When I speak, the field reorganizes.”

TRANSFORM

✧ STAGE 3 - TRANSFORM EMBODIMENT OF WEALTH CONSCIOUSNESS

3
DAY

✧ Daily Integration Practice

The Command Breath

1. Place one hand on your crown, one on your heart.
2. Inhale through your nose, visualizing golden light spiralling down through your spine.
3. Exhale through your mouth, anchoring the light into your root.
4. Daily Anchor Phrase

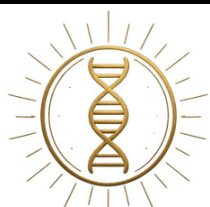

I act from alignment.

I speak from truth.

I receive from ease.

Practice this morning and evening for 7 days to stabilize the activation.

It seals the Code of Sovereignty into your cellular memory and nervous system.

TRANSFORM

✧ STAGE 3 - TRANSFORM

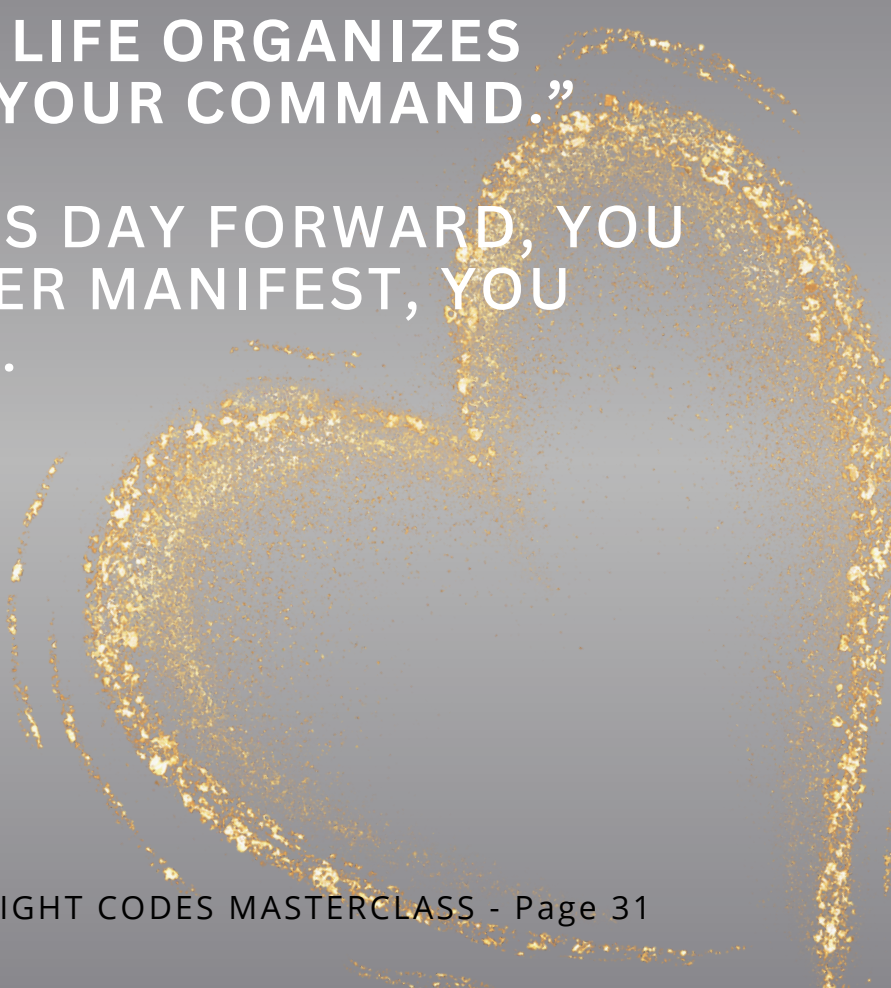

✧ MESSAGE FROM ME

3
DAY

YOUR DNA NOW CARRIES THE MEMORY OF YOUR LEADERSHIP FREQUENCY. YOU HAVE BECOME THE EMBODIMENT OF WEALTH CONSCIOUSNESS, NOT SEEKING, NOT PROVING, BUT BEING.

“AS YOUR CELLS REMEMBER WHO YOU ARE, LIFE ORGANIZES AROUND YOUR COMMAND.”

FROM THIS DAY FORWARD, YOU NO LONGER MANIFEST, YOU EMANATE.
