How to Use This Calendar with Soul & Strategy

Instructions:

1. Choose your platform: Instagram, TikTok, Facebook, YouTube, etc.
2. Pick one prompt per day or batch several at once.
3. Set the vibe: Light a candle, take a breath, ask your higher self—
What do I need to say today?
4. Feel into your truth. These prompts are invitations to express—
not pressure to perform.
5. Use the bonus rituals to ground your energy and release visibility
fears before you post.

Remember: You are the message. Your energy sells louder than strategy.
