

# 🌳✨ The Golden Tree of TIENS Abundance

***Close your eyes... take 3 deep breath... Inhale light... exhale tension...***

Once again...

Allow your body to relax... and your mind to enter a space of focus and inner power.

Now, visualize in front of you this majestic **Golden Tree of TIENS** 🌳✨

A tree whose leaves are not leaves...

They are **shimmering golden coins**, glowing with opportunity 💰✨

This tree is the living symbol of your **TIENS network**... your **downline**... your **mission as a leader**.

At the **roots** of the tree are those clients who only buy products – they bring you income, but they're dormant...

Some of them want to grow, to rise into the branches...

But they need **your help to do it**.

Feel the powerful, magical energy of this living tree...

Now walk toward it with **respect and admiration**.

This tree is YOU.

This network is your **legacy**.

Observe it closely:

Each **branch** represents a leader...

Each **coin-leaf** is a sale, a success...

Each **root** is a dream that began with you.

Now look at your tree with honesty...

Where do you see **strong, fruitful branches**?

Where do you notice **dry or stagnant areas** that need light?

Now imagine you're standing directly in front of the tree...

And suddenly – **you can hear your network speaking to you...**

👤 “I’m motivated, I just need more structure.”

👤 “I’m lost... I want to believe again.”

👤 “I’m here... but I need to feel your support.”

👤 “I feel blocked...”

👤 “I want to believe again... but I don’t know how.”

**Listen with your heart.**

And now, **YOU**, as their leader, speak back with love and clarity:

🗣️ “Thank you for your efforts.”

🗣️ “I see you. I believe in you.”

🗣️ “Together, we rise.”

🗣️ “I’m here to guide you and show you a new way to grow.”

🌟 Now send them energy – **golden light flowing from your hands into the tree.**

Feel the branches reactivating...

The golden coins **multiplying**...

The energy of your tree **expanding, glowing, vibrating with new life.**

This is your moment.

You are the **guardian of this tree**.

The **igniter of abundance**.

The **heart-centered leader** who awakens others.

Now, silently repeat in your mind:

*"I am a channel of abundance.*

*My leadership inspires, multiplies, and transforms lives.*

*We are not just selling — we are helping people and opening doors to opportunity.*

*Together, we grow a legacy of light and success."*

Take one last deep breath...

Now see that tree again — and place a **golden frame** around it.

Give it a **name**.

Now imagine taking that framed painting home with you...

Choose a space where you can **see it every day**.

Feel that new **frequency** vibrating in every cell of your body...

**Your mission has been reactivated.**

When you're ready...

 Slowly **Open your eyes**.

**Welcome back.**
