

Please Read Me!

hello

Hi there, #Creativegirl.

We are Ansu & Surita, two sisters from Pretoria, South Africa. We own Ivytree Studio, a boutique design studio. We design all our content from scratch and use our own art in the process. We love paper and create beautiful paper products in printed and printable format.

We are unashamedly ethical and build our business on Biblical foundations. When you purchase our products you are supporting women in business and you help artists put food on their table.

Thank you for joining us and being part of our #ClubCreative.

If you haven't joined yet, pop over to the website and sign-up today!

XOXO
