All programming takes place here. A petite 22-room boutique resort nestled above Shaw's Cove with ocean views, a heated pool, and a laid-back coastal atmosphere. Rooms at \$289/night + taxes and resort fees. Includes daily breakfast, complimentary coffee, and free parking.

We especially recommend staying on-site the night of May 12th — our evening sound bath and opening gathering are not to be missed.

★ The night of May 12th is the most important night to stay on-site — our sound bath and evening gathering take place that night.
