

THE LIONS GATE ACTIVATION

A Sacred 8/8 Portal Guide & Audio Experience

What you are calling in is already calling for you.

△ WELCOME △

I created this guide and audio for the woman who feels the pull of this portal but isn't quite sure how to work with it intentionally.

You don't need to do this perfectly.

You don't need to have it all figured out.

You just need to show up... and you already have.

What follows is designed to orient you to the Lions Gate energy, prepare you to work with your manifestation goal during this window, and guide you through an audio activation created specifically for this portal and for you.

HOW TO USE THIS GUIDE

Read through at your own pace before pressing play on your activation audio. There's no rush. Let each page land before you move to the next.

This is sacred time. Treat it as such.

△ THE LIONS GATE PORTAL △

Each year, between late July and mid-August, a powerful cosmic window opens, one that has been recognized and worked with by ancient civilizations for thousands of years.

At its peak on August 8th (8/8) the Sun in Leo aligns with the Earth and Sirius, the brightest star in our night sky and what many ancient traditions called the spiritual sun. The Egyptians oriented their most sacred temples to Sirius, marking its annual rising as a time of divine activation, heightened consciousness, and accelerated manifestation.

This alignment creates what is known as the Lions Gate Portal, a direct, luminous corridor between the earthly and the cosmic. Between who you are in this human body, and who your soul already knows itself to be.

Sirius carries a frequency of soul remembrance. When this portal opens, the distance between your deepest truth and your daily reality becomes thinner. What has felt heavy begins to lighten. What has felt far begins to feel possible.

This isn't a time for forcing or striving. It is a time for conscious alignment, clearing what's between you and what you are calling in, and opening to receive what your soul already knows is yours.

You arrived here at exactly the right moment.

△ THE POWER OF 8 △

The number 8 is one of the most potent vibrations in numerology and it's no accident that the Lions Gate peaks on the 8th day of the 8th month.

Turn the number 8 on its side and you have the infinity symbol, the ancient representation of eternal, unending flow. As above, so below. The endless exchange between giving and receiving, between the earthly and the divine, between who you are now and who you are becoming.

8 carries the vibration of abundance, authority, and manifestation made physical. It's the energy of alignment between the spiritual and the material... of calling something into being through resonance.

8/8 doubles this energy. Two infinity symbols. Two open portals. A doubled invitation to step into conscious alignment with what your soul is already moving toward.

This guide is 8 pages.
Your activation audio is 8 minutes.
Nothing here is accidental.

Before you continue, sit with this question for a moment...

What would it mean for me to receive as naturally and easily as I give?

You don't need to answer it now. Just let it breathe.

△ YOUR GOAL & THIS PORTAL △

The Lions Gate Portal isn't a general activation, it's a deeply personal one. And the most powerful way to work with it is to bring something specific into its light.

Before you press play on your activation audio, I want you to **identify your manifestation goal** for this experience.

It doesn't need to be perfectly formed or crystal clear. It might be a feeling you're reaching for... safety, freedom, love, peace. It might be something more tangible... a thriving business, a home that feels like sanctuary, a relationship that truly sees you, a version of your life that feels genuinely yours.

Whatever is alive in you right now, that's your goal.

Don't overthink it. Don't edit it. Don't decide it's too big or too small or not spiritual enough. Just let it surface. Trust what comes.

My manifestation goal for this activation is:

BEFORE YOU PRESS PLAY

Your activation audio is 8 minutes. Here's how to prepare so you receive it fully.

- 1 Find a quiet space**
Somewhere you won't be interrupted for at least 10 minutes. This time is yours.
- 2 Get comfortable**
Seated or lying down, whichever feels most supportive for your body right now.
- 3 Use headphones if possible**
This audio contains multiple layers of sacred sound, and headphones allow you to receive the full depth of the experience.
- 4 Have your goal close**
Either written on this page, or held gently in your mind. You'll be invited to bring it forward during the activation.
- 5 Phone on do not disturb**
Give yourself full permission to be unreachable for these 8 minutes.

*When you're ready, press play.
Your soul knows what to do.*

A note on what you'll hear...

This activation contains multiple layers of sacred sound woven beneath the spoken guidance.

Beneath my voice, you may sense a subtle undercurrent of light language, a divine vibrational frequency that speaks directly to the soul rather than the conscious mind.

Woven beneath that are whispered intentions, layered softly to support subconscious alignment.

The whole audio rests on a foundation of gentle meditative music.

You don't need to consciously process any of this. You don't need to understand it or have an opinion about it.

Simply allow yourself to receive.

△ AFTER YOUR ACTIVATION △

Give yourself a few minutes before returning to the day. There's no right or wrong way to feel after this activation. Some women feel deeply peaceful. Some feel something shift quietly in their chest. Some feel tears they don't have words for. Some feel a gentle clarity, like a fog has lifted slightly. Whatever is here, let it be. Don't rush to analyse or explain it.

When you're ready, sit with these gently:

- ◆ What did I feel in my body during the activation?
- ◆ What felt true about my goal that I may have been doubting?
- ◆ What is one small, aligned action I feel called to take within this portal window?

If this activation stirred something in you...

If you felt the pull of your goal more clearly, or sensed that something is in the way that you can't quite name, I'd love to go deeper with you.

During the Lions Gate Portal window, I'm offering two ways to go deeper:

The Lions Gate Activation Gift

THANK YOU FOR TRUSTING ME WITH THIS MOMENT

The fact that you're here, working consciously with this portal, taking sacred time for yourself and what you are calling in, is evidence of exactly the kind of woman you are.

One who takes her own becoming seriously.

I honour that. And I'm here whenever you're ready to go deeper.

With love and infinite possibility,

Christine xo
